

Jeffrey R. Gahler, Sheriff

American writer, Joseph Campbell once said, "A hero is someone who has given his or her life to something bigger than oneself." The Harford County Sheriff's Office, established in 1774, has lost seven deputies in the Line of Duty. While the month of May is set aside to honor their memory, not a day goes by that they are not part of our thoughts. We must keep the light of those who have given the ultimate sacrifice, burning brightly.

Mission Statement

With courage, honor, and integrity we protect the rights and dignity of all citizens. In partnership with our communities, we strive to preserve the peace and provide for a safe environment for all.

With steadfastness and purpose of mind, we accept the responsibility of overcoming adversity to remain effective, efficient, and responsive to the needs of our communities.

With distinction and pride, we protect the rights of all citizens equally.

Integrity

We are responsible for our conduct, both professionally and personally. We are honest, fair, and strong of character. We hold ourselves accountable to the highest standards of ethical conduct and endeavor to be role models for others.

Harford County Sheriff's Office Annual Report | 2019

A Message from Sheriff Gahler

To our Harford County Community:

It is simply amazing to me that 2019 has already come to a close. At the start of the year, we implemented some changes to our organizational structure. This effort saw us realigning like responsibilities and adding a third bureau in law enforcement. The efficiencies of these organizational changes are noticeable and have allowed for more impactful opportunities and operational flexibility Agency-wide.

The hard work of each member of the Agency does not go unnoticed. The successes realized by the Sheriff's Office come as we work together with the safety of our communities as a public barometer of our efforts. I am very proud of the efforts of the deputies that have again resulted in significant decreases in both property and violent crime. In fact, this is the fourth year of double-digit reductions in overall crime reported to the Office. According to Uniform Crime Reporting data, violent crime dropped 14% and property crime dropped 27% last year, resulting in a 16% decrease in overall crime.

This does not happen by accident, and it's not just the result of one person's efforts. This is why we exist, to serve and to protect and I count myself very privileged to work among such an exceptional group of men and women. I am also very fortunate to serve the citizens of Harford County. The support of our community has not gone unnoticed; almost daily, I am approached or contacted by citizens who have kind words of thanks and appreciation for some small or large task handled by the members of this Office.

It is also very worthy of mention that our Office is home to the 2019 National Sheriff's Association's Deputy of the Year for Merit, Senior Deputy Rich Dean! That is two years in a row that the work of your Sheriff's Office has been nationally recognized with this award!

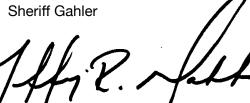

Looking back over 2019, I find myself impressed with the many notable accomplishments and/or milestones for our Agency. In addition to making our County safer, here are a few other notable highlights for our Office from my perspective:

- Completed Staffing Study to review all law enforcement operations;
- Initiated Elementary School Resource Deputy Program and added three additional School Resource Deputies to protect our future;

- Dedicated "DFC Teresa Testerman Drive" at the Harford County Detention Center in honor of our fallen hero;
- · Created "Pipers" as part of our Line of Duty Team/Honor Guard;
- Dedicated our Headquarters building following a long overdue renovation;
- Instituted THRIVE Program at Harford County Detention Center, helping ensure inmates are successful when re-entering the community;
- Instituted Associates Degree Program for law enforcement at Harford Community College;
- Advocated for stricter animal control laws related to the safety of pets;
- Increased our public safety partnerships within the Compstat process by including representation from Parole & Probation and the Department of Juvenile Serves:
- Successfully recruited new recruits and lateral deputies to nearly fill all vacancies in law enforcement and corrections for the first time in nearly two decades;
- Received Accreditation for our Substance and Behavioral Health Unit at the Harford County Detention Center from the Commission on Accreditation of Rehabilitation Facilities (CARF).

Great things happen when so many who are dedicated to the mission and dedicated to the Sheriff's Office work hard to see these projects through to their fruition and for that, I thank each and every member of the Sheriff's Office. Just as importantly, I need thank our public safety partners, elected leaders and community members. When we work together, positive results are the result! I look forward to working with everyone in 2020 as we continue to move our Office forward in service to our Harford County Community!

Sincerely, Sheriff Gahler

Colonel William Davis
Chief Deputy

As the primary law enforcement agency in Harford County and the largest full-service agency in the State of Maryland, the Harford County Sheriff's Office is responsible for providing court services, law enforcement, and correctional services to the county's ever-growing population. Sheriff Jeffrey R. Gahler and Chief Deputy William Davis oversee a workforce of more than 600 sworn and civilian personnel, control an overall budget of \$84,679,082 and began to move Harford County policing methods into the 21st century with their introduction of CompStat.

As a result of the act of the Maryland General Assembly in 1773, Baltimore County was divided into two counties. A new county, Harford, was created from the northeastern quadrant of the former Baltimore County. The actual formation of government for Harford County occurred on March 22, 1774, when Henry Harford sent his commission to the new County Seat at Harford Town. The Right Honorable Henry Harford, Lord Proprietor of the Province, commissioned Thomas Miller the first sheriff.

The Office of the Sheriff directly supervises and oversees several units:

The first election for sheriff was in 1777, when John Taylor won over his opponent, George Bradford. Although the first sheriff was appointed in 1774, subsequent sheriffs were elected. Sheriffs served two-year terms until 1914 when they began serving four-year terms.

The duties of sheriff throughout the United States vary both internally and externally, and from agency to agency. Depending on the region, some sheriff's offices provide only court and/or correctional services, while others provide law enforcement. The citizens of Harford County benefit from having a multi-service agency that provides all three. Although patrol deputies and investigators are the most visible members of the Sheriff's Office, court services deputies and correctional deputies from the Detention Center are critical components of this full-service agency.
